HELPING OUR HERITAGE IN THE HISTORIC HEART OF HARBERTON

This year's photographic exhibition of the **HIDDEN STORIES** in St Andrew's is absolutely stunning. You will never look at the church windows in the same way again!

In our second annual exhibition, find out about the portraits in the Victorian windows, our 'Vinegar Bible', 17th century 'Royal spin', the lichens and yew trees and why our church appears to be sinking (Hint: it's the sheer number of burials!)

The exhibition will be open every day until late September.

DON'T MISS IT!

Autumn 2023 update from the Harberton Church Community Fund Reg. charity 1172549

WORK ON THE CHURCH CLOCK

As you know, the church clock has not been working well since the clock mechanism was repaired. The drive mechanism linking the two clock faces was sticking.

On 14th July, Luke and two very brave abseilers from the Cumbria Clock Company, aided by Jim, dismantled the clock hands and the drive mechanism so they can be repaired in the workshop in Cumbria.

The weather on that Friday morning was appalling, but they were not deterred. We look forward to a fully working clock, with both faces telling the same time.

FABULOUS GARDENS! BEAUTIFUL ART! CLASSIC CARS! DELICIOUS FOOD!

You don't often find all four together in a small village, but that's what we were treated to on 17th and 18th June and it was much appreciated by all. Thank you to everyone who contributed, visited and reminded us that Harberton is a very good place to live. Around £2,500 was raised for HCCF.
